POTBELLY CORPORATION PROXY STATEMENT

The Board of Directors (the "Board of Directors" or "Board") of Potbelly Corporation, a Delaware corporation, is using this proxy statement to solicit your proxy for use at our 2015 Annual Meeting. We are sending a Notice Regarding the Availability of Proxy Materials for the Annual Meeting and making proxy materials available to stockholders (or, for those who request, a paper copy of this proxy statement and the form of proxy) on or about March 24, 2015, to our stockholders of record as of the close of business on March 18, 2015. References in this proxy statement to "Potbelly," "Company," "we," "us," "our" and similar terms refer to Potbelly Corporation.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting to be Held on May 14, 2015

This proxy statement and our Annual Report for the year ended 2014, which includes our Annual Report on Form 10-K, are available on the Internet at www.proxyvote.com. Pursuant to rules adopted by the Securities and Exchange Commission (the "SEC"), we have elected to provide access to our proxy materials over the Internet. Accordingly, we are sending a Notice Regarding the Availability of Proxy Materials to our stockholders of record as of the close of business on March 18, 2015. All stockholders will have the ability to access our proxy materials on the website referred to in the Notice Regarding the Availability of Proxy Materials (www.proxyvote.com) or to request to receive a printed set of our proxy materials. Instructions on how to access our proxy materials over the Internet or request a printed copy of our proxy materials may be found in the Notice Regarding Availability of Proxy Materials. In addition, stockholders may request to receive proxy materials in printed form or by email on an ongoing basis by calling 1-800-579-1639 or via email to sendmaterial@proxyvote.com.

Why am I receiving these materials?

Our Board of Directors is soliciting proxies for the 2015 Annual Meeting of Stockholders. On or about March 24, 2015, we expect to begin mailing these proxy materials to stockholders of record as of the close of business on March 18, 2015, the record date. On the record date, there were 28,844,581 shares of our common stock outstanding.

Where and when is the Annual Meeting of Stockholders?

We will hold the Annual Meeting of Stockholders on Thursday, May 14, 2015, at 8:00 a.m., Central Time, at the Westin O'Hare Hotel, 6100 N. River Road, Rosemont, Illinois 60018.

What am I being asked to vote on at the meeting?

We are asking our stockholders to consider the following items:

- the election of two nominees for director named in this proxy statement;
- the ratification of the appointment of our independent registered public accounting firm; and
- any other business properly introduced at the Annual Meeting.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

How many votes do I have?

You have one vote for each share of our common stock that you owned at the close of business on the record date. These shares include:

- shares registered directly in your name with our transfer agent, for which you are considered the “stockholder of record,” and
- shares held for you as the beneficial owner through a broker, bank or other nominee in “street name.”

What is the difference between holding shares as a “stockholder of record” and as a “beneficial owner”?

If your shares are registered directly in your name with our transfer agent, you are considered the “stockholder of record” with respect to those shares. We have sent these proxy materials directly to you.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the “beneficial owner” of the shares held in street name. Your broker, bank or other nominee who is considered the stockholder of record with respect to those shares has forwarded these proxy materials to you. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote your shares by using the voting instruction card included in the mailing or by following their instructions for voting by telephone or the Internet.

How can I vote my shares?

You can vote by proxy or in person.

What is a proxy?

It is your legal designation of another person to vote the stock you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document is also called a proxy or a proxy card. We have designated two of our officers as proxies for the Annual Meeting of Stockholders to be held on May 14, 2015. These officers are Aylwin Lewis and Matthew Revord.

How You Can Vote

Stockholders of Record. Stockholders of record may vote their shares or submit a proxy to have their shares voted by one of the following methods:

- **By Internet** - You may authorize your proxy on-line via the Internet by accessing the website www.proxyvote.com and following the instructions provided on the Notice Regarding the Availability of Proxy Materials or, if you have requested written proxy materials, the proxy card. Internet voting facilities will be available 24 hours a day and will close at 11:59 p.m., Eastern Time, on May 13, 2015.
- **By Telephone** - You may authorize your proxy by touch-tone telephone by calling 1-800-690-6903. Telephone voting facilities will be available 24 hours a day and will close at 11:59 p.m., Eastern Time, on May 13, 2015.
- **By Mail** - If you request paper copies of the proxy materials to be sent to you by mail, you may authorize your proxy by completing, signing and dating your proxy card and returning it in the reply envelope included with the paper proxy materials.
- **In Person** - You may attend the Annual Meeting and vote in person by completing a ballot; however, attending the Annual Meeting without completing a ballot will not count as a vote. If you choose to vote in person, you must bring proof of identification and your notice or proxy card showing your control number to the Annual Meeting.

Beneficial Owners. If you are the beneficial owner of your shares of common stock (that is, you hold your shares in “street name” through an intermediary such as a broker, bank or other nominee), you will receive instructions from your broker, bank or nominee.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Your broker, bank or nominee will not vote your shares of stock on any matters unless you provide them instructions on how to vote your shares of stock. You should instruct your broker or nominee how to vote your shares of stock by following the directions provided by your broker or nominee. Alternatively, you may obtain a proxy from your bank, broker or other holder of record and bring it with you to hand in with a ballot in order to be able to vote your shares at the meeting. If you choose to vote at the meeting, you must bring the following: (i) proof of identification, (ii) an account statement or letter from the broker, bank or other nominee indicating that you are the owner of the stock and (iii) a signed proxy from the stockholder of record giving you the right to vote the stock. The account statement or letter must show that you were the beneficial owner of the stock on March 18, 2015.

General. If you submit your proxy using any of the methods above, Aylwin Lewis or Matthew Revord will vote your shares in the manner you indicate. You may specify whether your shares should be voted for all, some, or none of the nominees for director and for or against any other proposals properly introduced at the Annual Meeting. If you vote by telephone or Internet and choose to vote with the recommendation of our Board of Directors, or if you vote by mail, sign your proxy card, and do not indicate specific choices, your shares will be voted "FOR" the election of both nominees for director and "FOR" ratification of the appointment of our independent public accounting firm.

If any other matter is presented, your proxy will authorize Aylwin Lewis or Matthew Revord to vote in accordance with their best judgment. At the time this proxy statement was filed, we knew of no matters to be considered at the Annual Meeting other than those referenced in this proxy statement.

How can I revoke my proxy?

You may revoke a proxy in any one of the following three ways:

- submit a valid, later-dated proxy, or vote again electronically after your original vote;
- notify our corporate secretary in writing before the Annual Meeting that you have revoked your proxy; or
- vote in person at the Annual Meeting.

Is my vote confidential?

Yes. Voting tabulations are confidential except in extremely limited circumstances. Such limited circumstances include contested solicitation of proxies, when disclosure is required by law, to defend a claim against us or to assert a claim by us and when a stockholder's written comments appear on a proxy or other voting material.

What "quorum" is required for the Annual Meeting?

In order to have a valid stockholder vote, a quorum must exist at the Annual Meeting. For us, a quorum exists when stockholders holding a majority of the issued and outstanding shares entitled to vote are present or represented at a meeting.

What vote is required to approve each item?

Item	Vote Required	Broker Discretionary Voting Allowed
Proposal 1. Election of Directors	Plurality of votes cast	No
Proposal 2. Ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 27, 2015	Majority of shares present in person or represented by proxy and entitled to vote	Yes

How are the voting results determined?

In the election of Class II Directors, your vote may be cast "FOR" each of the nominees or your vote may be "WITHHELD" with respect to one or more of the nominees. The nominees receiving the largest number of "FOR" votes will be elected as directors, up to the maximum number of directors to be chosen for election. In the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm, your vote may be cast "FOR," "AGAINST" or "ABSTAIN" with respect to that proposal.

[Table of Contents](#)

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

If you are a record holder and you sign (including electronic confirmations in the case of Internet or telephone voting) your proxy card with no instructions on how to vote, your stock will be voted in accordance with the recommendations of the Board. If you are a beneficial owner and you sign (including electronic confirmation in the case of Internet or telephone voting) your broker voting instruction card with no instructions on how to vote, your stock will be voted in the broker's discretion only with respect to "routine" matters but will not be voted with respect to "non-routine" matters.

Broker non-votes occur when brokers do not have discretionary voting authority to vote certain shares held in "street name" on particular "non-routine" proposals including the election of directors, and the "beneficial owner" of those shares has not instructed the broker to vote on those proposals. If you are a beneficial owner, your broker, bank or other nominee is permitted to vote your shares only with regard to ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm, even if the holder does not receive voting instructions from you. Shares registered in the name of a broker, bank or other nominee, for which proxies are voted on some, but not all matters, will be considered to be represented at the Annual Meeting and voted only as to those matters for which the broker, bank or other nominee has authority to vote.

Because the election of directors is determined on the basis of a plurality of the votes cast, abstentions have no effect on the outcome of the election of Class II directors, although they will result in a director receiving fewer votes. Because the approval of a majority of shares present and entitled to vote is required to ratify the appointment of Deloitte & Touche LLP as our independent public accountants, abstentions have the effect of a vote against that proposal. Broker non-votes will have no direct effect on the outcome of the election of Class II directors or on the ratification of our independent public accountants.

What are the fiscal year-end dates?

This proxy statement provides information about the matters to be voted on at the 2015 Annual Meeting of Stockholders and additional information about Potbelly and its executive officers and directors. Some of the information is provided as of the end of our 2013 or 2014 fiscal years as well as some information being provided as of a more current date. Our fiscal year 2013 ended on December 29, 2013 and our fiscal year 2014 ended on December 28, 2014.

Where can I find the voting results?

We intend to announce preliminary voting results at the Annual Meeting. We will publish the final results in a Current Report on Form 8-K, which we expect to file on or before May 20, 2015. You can obtain a copy of the Form 8-K by logging on to our website at <http://investors.potbelly.com/financials.cfm>, or by calling the SEC at 800-SEC-0330 for the location of the nearest public reference room, or through the EDGAR system at www.sec.gov. Information on our website does not constitute part of this proxy statement.

CORPORATE GOVERNANCE

Overview

All of our corporate governance materials, including our corporate governance guidelines, our ethics code of conduct and Board committee charters, are published under the Corporate Governance section of our Investor Relations website at www.potbelly.com. Information on our website does not constitute part of this proxy statement. These materials are also available in print to any stockholder without charge upon request made by telephone at (312) 951-0600 or by mail to our principal executive offices at Potbelly Corporation, 222 Merchandise Mart Plaza, 23rd Floor, Chicago, Illinois 60654, Attention: Corporate Secretary. The Board of Directors regularly reviews these materials, Delaware law, the rules and listing standards of the Nasdaq Global Select Market ("NASDAQ") and SEC rules and regulations, as well as best practices suggested by recognized governance authorities, and modifies the materials as it believes is warranted.

Director Independence

Our Board of Directors reviews the independence of the current and potential members of the Board of Directors in accordance with independence requirements set forth in the NASDAQ rules and applicable provisions of the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder (the "Exchange Act"). During its review, the Board of Directors considers transactions and relationships between each director and potential director, as well as any member of his or her immediate family, and the Company and its affiliates, including those related-party transactions contemplated by Item 404(a) of the SEC's Regulation S-K. The Board of Directors must affirmatively determine that the director has no material relationship with the Company, either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company, that, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The purpose of this review is to determine whether any such relationships or transactions exist that are inconsistent with a determination that the director is independent. Our Board of Directors has determined that all directors except Aylwin Lewis, Vann Avedisian and Bryant Keil are "independent" as such term is defined by NASDAQ rules, our corporate governance standards and the federal securities laws.

Ethics Code of Conduct

We have a written ethics code of conduct that applies to our directors, officers and employees. A copy of this code is available at <http://investors.potbelly.com/governance.cfm>. We will disclose information regarding any amendment to or waiver from the provision of this code by posting it on the same portion of our website.

Conflicts of Interest

Pursuant to our ethics code of conduct and our related party transaction policy, each director and executive officer has an obligation not to engage in any transaction that could be deemed a conflict of interest. Our directors may not engage in any transaction that could impact their independence on the Board of Directors. See "Related Party Transactions."

Structure of the Board of Directors

Our Board of Directors currently consists of nine members, comprised of Aylwin Lewis, Vann Avedisian, Peter Bassi, Ann-Marie Campbell, Susan Chapman-Hughes, Dan Ginsberg, Marla Gottschalk, Bryant Keil and Dan Levitan. We are currently conducting a search for additional Board members. Our certificate of incorporation provides that our Board of Directors shall consist of not more than twelve directors, with the exact number as determined from time to time by resolution of the Board.

Our Board is divided into three classes with staggered terms. Mr. Lewis, Mr. Bassi and Ms. Gottschalk are Class I directors with a term expiring at our 2017 annual meeting of stockholders. Mr. Levitan and Ms. Chapman-Hughes serve as Class II directors and are current nominees for election with a term expiring at our 2018 annual meeting of stockholders. Ms. Campbell, Mr. Ginsberg and Mr. Keil serve as Class III directors with an initial term expiring at the 2016 annual meeting of stockholders. At such meeting, the Class III directors shall be elected for a term expiring at our 2018 annual meeting of stockholders. Mr. Keil has chosen to stay on our Board of Directors until no later than October 2015. At our 2018 annual stockholder meeting, our classified board structure will be phased out and, beginning at such meeting, all directors shall be elected for a term expiring at the next annual stockholder meeting.

[Table of Contents](#)

CORPORATE GOVERNANCE

Mr. Avedisian is also a Class II director, but at the time of our initial public offering in 2013 (“Initial Public Offering” or “IPO”) elected to stay on the Board for up to 18 months following the completion of the IPO. Therefore, the Board did not nominate Mr. Avedisian for re-election and he will retire from the Board as of the expiration of his term at the 2015 Annual Meeting. Mr. Keil is a Class III Director, but at the time of the IPO elected to stay on the Board for up to two years following completion of our IPO, and therefore will be retiring from the Board by October 2015. Mr. Avedisian has been a member of our Board of Directors since 2001, and has provided his guidance over the past 18 months as we transitioned from a private company to a public company. Mr. Keil’s vision and foresight fueled Potbelly’s early growth, and his continuing commitment as our Founding Chairman has been an integral part of Potbelly’s success. We greatly appreciate the contributions of Mr. Avedisian and Mr. Keil during their long tenure with Potbelly.

Our amended and restated bylaws (our “Bylaws”) provide that directors may only be removed for cause. To remove a director for cause, 66-2/3% of the voting power of the outstanding voting stock must vote as a single class to remove the director at an annual or special meeting. Additionally, our certificate of incorporation provides that, if a director is removed or if a vacancy occurs due to either an increase in the size of the Board or the death, resignation, disqualification or other cause, the vacancy will be filled solely by the affirmative vote of a majority of the remaining directors then in office, even if less than a quorum remain.

Board Leadership Structure

Mr. Lewis serves as both our Chief Executive Officer and our Chairman of the Board. Our Board of Directors has carefully considered its leadership structure and believes at this time that the Company and its stockholders are best served by having one person serve both positions. We believe that combining the roles fosters accountability, effective decision-making and alignment between interests of the Board of Directors and management. Mr. Lewis also is able to use the in-depth focus and perspective gained in his executive function to assist our Board of Directors in addressing both internal and external issues affecting the Company.

Our Board of Directors determined as part of our corporate governance principles, and as required in our Bylaws, that the Board of Directors shall appoint one independent director to serve as lead independent director. Mr. Levitan is our lead director and his responsibilities include presiding over periodic meetings of our independent directors and overseeing the function of our Board of Directors and committees. The lead director is also responsible for providing leadership to our Board if any circumstances arise in which the role of the chairman may be, or may be perceived to be, in conflict. The Bylaws also provide that the chairperson of each of our committees will rotate at least once every three years. Our Board of Directors believes that these and other structural features provide for substantial independent oversight of the Company’s management.

Our Board of Directors recognizes that depending on future circumstances, other leadership models may become more appropriate. Accordingly, our Board of Directors will continue to periodically review its leadership structure.

CORPORATE GOVERNANCE

Board's Role in Risk Oversight

The entire Board of Directors is engaged in risk management oversight. At the present time, the Board of Directors has not established a separate committee to facilitate its risk oversight responsibilities. The Board of Directors expects to continue to monitor and assess whether such a committee would be appropriate. The audit committee assists the Board of Directors in its oversight of our risk management and the process established to identify, measure, monitor, and manage risks, in particular major financial risks. The compensation committee assesses risks arising from our compensation policies and practices. The Board of Directors receives regular reports from management, as well as from the audit committee and compensation committee, regarding relevant risks and the actions taken by management to address those risks.

Policy for Director Recommendations

Our nominating and corporate governance committee is responsible for reviewing and making recommendations to our Board of Directors regarding nominations of candidates for election as a director of the Company. The nominating and corporate governance committee identifies new director candidates through a variety of sources. Such committee will consider director candidates recommended by stockholders in the same manner it considers other candidates, but it has no obligation to recommend such candidates. A stockholder that wants to recommend a candidate for election to the Board of Directors should send a recommendation in writing to Potbelly Corporation, 222 Merchandise Mart Plaza, 23rd Floor, Chicago, Illinois 60654, Attention: Corporate Secretary. As of May 18, 2015, the Company's principle executive offices will be located at 111 N. Canal Street, Suite 850, Chicago, IL 60606, and, beginning at that time, such recommendations should be sent to the attention of the Corporate Secretary at such address. Such recommendation should describe the candidate's qualifications and other relevant biographical information and provide confirmation of the candidate's consent to serve as director.

Stockholders may also nominate directors at the annual meeting by adhering to the advance notice procedure described under "Stockholder Proposals for the 2016 Annual Meeting" elsewhere in this Proxy Statement.

The nominating and corporate governance committee works with the Board on an annual basis to determine the appropriate characteristics, skills and experience for the Board as a whole and its individual members. In evaluating the suitability of individual Board members, the Board and the nominating and corporate governance committee will take into account factors such as the individual's general understanding of disciplines relevant to the success of a publicly traded company; understanding of Potbelly's business; education and professional background, including current employment and other board memberships; reputation for integrity; and any other factors they consider to be relevant. The Board will endeavor to reflect the diversity of Potbelly's stockholders, employees and customers and the communities it serves. Additionally, in determining whether to recommend a director for re-election, the nominating and corporate governance committee also considers the director's past attendance at meetings and participation in and contributions to the activities of the Board.

If the nominating and corporate governance committee determines that an additional or replacement director is required, the committee may take such measures that it considers appropriate in connection with its evaluation of a director candidate, including candidate interviews, inquiry of the person or persons making the recommendation and engagement of an outside search firm to gather additional information. From time to time for a fee, Potbelly uses the executive search firm, Amrop Knightsbridge, to identify and evaluate or assist in identifying and evaluating potential candidates for election as directors. Amrop Knightsbridge has recommended candidates for director in the past, including Ms. Chapman-Hughes, who has been nominated by our Board of Directors for re-election as a Class II director at the 2015 Annual Meeting.

Communication with the Board

Stockholders and other parties interested in communicating directly with one or more individual directors or with the non-management directors as a group, may do so by writing to the individual director or group, c/o Potbelly Corporation, 222 Merchandise Mart Plaza, 23rd Floor, Chicago, Illinois 60654, Attention: Corporate Secretary. As of May 18, 2015, the Company's principle executive offices will be located at 111 N. Canal Street, Suite 850, Chicago, IL 60606, and, beginning at that time, such writings should be sent to the attention of the Corporate Secretary at such address. The Board has directed our corporate secretary to forward stockholder communications to our chairman and any other director to whom the communications are directed. In order to facilitate an efficient and reliable means for directors to receive all legitimate communications directed to them regarding our governance or operations, our corporate secretary will use his discretion to refrain from forwarding the following: sales literature; defamatory material regarding us and/or our directors; incoherent or inflammatory correspondence, particularly when such correspondence is repetitive and was addressed previously in some manner; and other correspondence unrelated to the Board of Director's corporate governance and oversight responsibilities.

PROPOSAL No. 1

ELECTION OF DIRECTORS

Two candidates have been nominated for election as Class II directors at the Annual Meeting. Our Board of Directors has nominated Susan Chapman-Hughes and Dan Levitan for re-election as Class II directors for a three-year term that will expire at our fifth annual meeting of stockholders in 2018. The Board of Directors is not aware that any nominee will be unwilling or unable to serve as a director. All nominees have consented to be named in the proxy statement and to serve if elected. If, however, a nominee is unavailable for election, your proxy authorizes us to vote for a replacement nominee if the Board of Directors names one. As an alternative, the Board of Directors may reduce the number of directors to be elected at the meeting. Proxies may not be voted for a greater number of persons than the nominees presented.

Our Board currently consists of nine members: Mr. Lewis, Mr. Keil, Mr. Avedisian, Mr. Bassi, Ms. Campbell, Ms. Chapman-Hughes, Mr. Ginsberg, Ms. Gottschalk and Mr. Levitan. Mr. Avedisian is not standing for re-election and will retire from the Board at the 2015 Annual Meeting. We are currently conducting a search for additional Board members. Proxies cannot be voted for a greater number of persons than the number of nominees named in this Proxy Statement.

PROPOSAL No. 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee of our Board of Directors is responsible for recommending, for stockholder approval, our independent registered public accounting firm. The audit committee has selected the accounting firm of Deloitte & Touche LLP to serve as our independent registered public accounting firm for the fiscal year ending December 27, 2015. Deloitte & Touche LLP has served as our independent registered public accounting firm since before our Initial Public Offering and has also provided non-audit services from time to time.

Although ratification is not required by our Bylaws or otherwise, our Board of Directors is submitting the selection of Deloitte & Touche LLP to our stockholders for ratification because we value our stockholders' views on our independent registered public accounting firm and as a matter of good corporate practice. The audit committee will consider the outcome of this vote in its decision to appoint an independent registered public accounting firm but is not bound by our stockholders' vote. Even if the selection of Deloitte & Touche LLP is ratified, the audit committee may change the appointment at any time during the year if it determines a change would be in the best interests of the Company and our stockholders.

The following table sets forth the fees paid for audit services during the fiscal years ended December 28, 2014 and December 29, 2013 and for other services during those fiscal years:

	2014	2013
Audit fees ⁽¹⁾	\$ 410,538	\$ 399,651
Audit-related fees ⁽²⁾	0	502,761
Tax fees ⁽³⁾	229,885	229,300
Total fees	\$640,423	\$1,131,712

- Audit fees include fees for audits of our annual financial statements, reviews of the related quarterly financial statements, and services that are normally provided by the independent accountants in connection with statutory and regulatory filings or engagements, including reviews of documents filed with the SEC.*
- Audit-related fees include all costs associated with services provided by Deloitte & Touche LLP in connection with our Initial Public Offering.*
- Tax fees relate to professional services rendered for tax compliance, tax return review and preparation and related tax advice.*

Policy on Audit Committee Approval of Audit and Non-Audit Services

The audit committee's policy is to approve all audit and permissible non-audit services prior to the engagement of our independent registered public accounting firm to provide such services. The audit committee annually approves, pursuant to detailed approval procedures, certain specific categories of permissible non-audit services. Such procedures include the review of (i) a detailed description by our independent registered public accounting firm of the particular services to be provided and the estimated fees for such services and (ii) a regular report to the committee regarding the services provided and the fees paid for such services. The audit committee must approve on a project-by-project basis any permissible non-audit services that do not fall within a pre-approved category and any fees for pre-approved permissible non-audit services that materially exceed the previously approved amounts. In making the determinations about non-audit services, the audit committee considers whether the provision of non-audit services is compatible with maintaining the auditor's independence.

All services provided to the Company by Deloitte & Touche LLP in fiscal 2014 and fiscal 2013 and related fees were pre-approved by the audit committee.

Representatives of Deloitte & Touche LLP will be available at the 2015 Annual Meeting to respond to your questions. They have advised us that they do not presently intend to make a statement at the 2015 Annual Meeting, although they will have the opportunity to do so.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "**FOR**" RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

AUDIT COMMITTEE REPORT

With regard to the fiscal year ended December 28, 2014, the audit committee has (i) reviewed and discussed with management our audited consolidated financial statements as of December 28, 2014 and for the year then ended; (ii) discussed with Deloitte & Touche LLP, the independent auditors, the matters required by the Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, as adopted by the Public Company Accounting Oversight Board (“PCAOB”), in Rule 3200T; (iii) received the written disclosures and the letter from Deloitte & Touche LLP required by applicable requirements of the PCAOB regarding Deloitte & Touche LLP’s communications with the audit committee regarding independence; and (iv) discussed with Deloitte & Touche LLP their independence.

Based on the review and discussions described above, the audit committee recommended to our Board of Directors of the Company that our audited consolidated financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 28, 2014 for filing with the SEC.

EXECUTIVE AND DIRECTOR COMPENSATION

Introduction

Our compensation philosophy is to pay for performance, rewarding employees when performance targets are met. Merit increases, annual incentive compensation, option grants and incremental paid time off are all tied to performance and results. Our compensation programs are designed to attract, retain, motivate and reward employees. Pay is commensurate with the scope and influence of the employee's role and the extent to which an employee contributes to the achievement of key initiatives and financial targets and demonstrates our values. All of our compensation programs are designed to align and reward actions that we believe contribute to our competitiveness and encourage superior performance.

For 2013, in preparation for our IPO, management engaged compensation consultants, Aon Hewitt, to conduct an analysis of our compensation programs and provide recommendations for how best the executive pay programs could be designed after our IPO. In addition to providing advice about broad-based plans generally available to all salaried employees, Aon Hewitt provided:

1. Executive benchmarking analysis comparing our executives base salary, target variable pay, and total cash compensation (base salary and target variable pay) to market. The compensation consultants also provided details on post-IPO competitive market levels of equity compensation; and
2. Review of executive employment agreements for competitiveness and compliance with institutional shareholder advisor and general market governance requirements. Aon Hewitt also provided recommendations regarding the competitiveness of the employment agreements against similarly situated companies.

The compensation committee considered Aon Hewitt's recommendations as well as relevant market practices when setting executive compensation to align our executive compensation program with the market for which we compete for executive talent. Our market for executive recruiting is generally other restaurant or retail concepts. For non-operations executives, we look at the general restaurant industry. In evaluating the competitiveness of our executive compensation program, we target compensation against the restaurant industry, specifically the limited-service restaurant segment, national and local competitors to help ensure we are competitive, focusing on items such as equity awards, merit pay, incentive pay and paid time off. We evaluate our executives on a scale of one through five. A score of three means the executive is a "Contributor," four is a "High Contributor" and five is a "Star." Annual cash compensation varies based on the executive's score, performance and contributions to Potbelly.

Executive pay is tied to both the Company's and the individual's annual performance. Merit increases, annual incentive compensation, stock options, when granted, and paid time off are generally awarded in March or April of each year, following completion of the first quarter annual performance review cycle, the annual financial audit and approval from the compensation committee. The employment agreements of our named executive officers specify each executive's annual incentive bonus target under our current bonus program. In addition, under our current bonus program, at the discretion of our Chief Executive Officer, up to 10% of the annual bonus pool approved by the compensation committee may be applied on a discretionary basis to award exceptional individual performers, including the other named executive officers.

(1) Represents the aggregate grant date fair value of stock option awards. In 2014, the Company issued a grant of 19,159 stock options to each of Mr. Talbot and Mr. Morlock in recognition of their performance in 2013. The options have an exercise price of \$20.53 per share and have a four year vesting period. The fair value of the options was determined using the Black-Scholes-Merton option pricing model. The Company used the following assumptions for purposes of valuing these option grants: common stock fair value of \$20.53 per share; expected life of options—seven years; volatility—49.6%; risk-free interest rate—1.1%; and dividend yield—0.0%. The Company used the simplified method for determining the expected life of the options.

In 2013, the Company entered into a new employment agreement with Mr. Lewis. The agreement included a compensation arrangement as well as the grant of 227,187 options, which are exercisable without restriction and vest over a period of four years. In accordance with ASC Topic 718, Compensation—Stock Compensation, fair value of the options was determined using the Black-Scholes-Merton option pricing model and will be amortized over the vesting period. The Company used the following assumptions for purposes of valuing these option grants: common stock fair value of \$10.59 per share; expected life of options—seven years; volatility—48%; risk-free interest rate—1.33%; and dividend yield—0%. The Company used the simplified method for determining the expected life of the options.

The Company issued stock option awards to Mr. Talbot and Mr. Morlock in 2013 in conjunction with the consummation of our Initial Public Offering. Mr. Talbot received options to purchase 100,000 shares of our common stock and Mr. Morlock received options to purchase 60,000 shares of our common stock. The options have an exercise price equal to the Initial Public Offering price of \$14.00 per share and have a four year vesting period. The fair value of the options was determined using the Black-Scholes-Merton option pricing model. The Company used the following assumptions for purposes of valuing these option grants: common stock fair value of \$14.00 per share; expected life of options—seven years; volatility—48.3%; risk-free interest rate—2.1%; and dividend yield—0.0%. The Company used the simplified method for determining the expected life of the options. The Company was unable to calculate specific stock price volatility as a private company, and as such, the Company used a blended volatility rate for comparable publicly traded companies.

In August 2013, the Company reduced the exercise price for all options held by current employees with an exercise price of \$14.00 per option to \$10.59 per option. The fair value of our common stock used as the grant price for these options was based on a concurrent valuation prepared by an independent valuation specialist as discussed in our consolidated financial statements. As a result of the price modification, Mr. Morlock received incremental value of approximately \$75,000 related to his options outstanding, which is included in the value of his options reported for 2013. Neither Mr. Lewis nor Mr. Talbot held options that were impacted by the price modification.

(2) Non-equity incentive plan compensation represents the amounts earned under the Potbelly Support Center Annual Incentive Plan.

(3) Represents payment of legal fees in connection with Mr. Lewis' 2013 employment agreement (\$18,694) and company provided parking (\$2,040).

EXECUTIVE AND DIRECTOR COMPENSATION

Agreement generally defines “cause” as Mr. Lewis’ (i) intentional misrepresentation of material information, (ii) felony indictment, (iii) commission of an act involving moral turpitude, (iv) material breach or material default of written obligations that remain unremedied for 30 days after notice, (v) fraud, (vi) embezzlement, (vii) failure to comply with our Board of Director’s written lawful direction that remains unremedied for 30 days after notice, or (viii) willful action to harm the Company or its affiliates. The Lewis Agreement generally defines “good reason” as (1) reduction in base salary or target or maximum bonus percentages, (2) material reduction in position, authority, office, responsibilities or duties, (3) material breach of the agreement by us, (4) Mr. Lewis’ failure to be re-elected to the Board of Directors as Chairman while employed as President and Chief Executive Officer, or (5) relocation to a place more than 50 miles from Chicago, in each case without Mr. Lewis’ consent.

A reduction in Mr. Lewis’ rate of base salary or target or maximum bonus which does not exceed the percentage reduction of an across the board salary or bonus reduction for management employees will not be treated as an event of “good reason.”

The Lewis Agreement provides Mr. Lewis with a base salary of \$725,000 which shall not be increased. The Lewis Agreement also provides that, under our current bonus program, Mr. Lewis is eligible for an annual target bonus of 100% of his base salary and a maximum (stretch) target of 200% of his base salary. For bonus years beginning 2013, the annual bonus amount and terms and conditions are determined in accordance with incentive plan metrics determined in the sole discretion of the compensation committee (but subject to the same targets described above). The compensation committee determined that for fiscal year 2014 the incentive plan metrics applicable to our executive officers would be the Company’s total company revenue, adjusted net income, and adjusted EBITDA (where adjusted EBITDA represents net income (loss) before depreciation and amortization expense, interest expense, provision for income taxes and pre-opening costs, adjusted to eliminate the impact of other items, including certain non-cash as well as certain other items that we do not consider representative of our on-going operating performance). Further, for Mr. Lewis, as a named executive officer, the metrics would be weighted as follows: (a) 30%—total company revenue; (b) 35%—adjusted net income; and (c) 35%—adjusted EBITDA. The Lewis Agreement also provides Mr. Lewis with standard benefits and perquisites, a payment of up to \$20,000 for legal fees in connection with the negotiation of the employment agreement and review of related agreements and a minimum five weeks of vacation.

Pursuant to the Lewis Agreement, Mr. Lewis was granted a stock option with a Black-Scholes value of \$1,200,000 (227,187 shares) on August 8, 2013 (the “Effective Date Grant”). The Effective Date Grant has an exercise price of \$10.59. The Lewis Agreement provides that all stock options held by Mr. Lewis prior to the date of the Lewis Agreement (other than the Effective Date Grant) became fully vested on August 8, 2013. The Lewis Agreement also contemplates that Mr. Lewis may be granted equity awards under the Company’s equity incentive plans beginning after August 8, 2015 with a target value of \$600,000 (subject to increase or decrease as determined by the compensation committee based on performance).

Mr. Lewis is also a party to a confidentiality, noncompetition, noninterference and intellectual property agreement, with the noncompetition and noninterference covenants lasting for one year after termination of employment. For information regarding the severance benefits under the Lewis Agreement as well as the treatment of Mr. Lewis’ outstanding equity awards upon a qualifying termination or a corporate transaction/change in control, see “—Potential Payments Upon Termination of Employment or a Corporate Transaction/Change in Control—Aylwin Lewis Employment Agreement.”

Charles Talbot and John Morlock

Mr. Talbot and Mr. Morlock each entered into a new employment agreement with the Company (the “Employment Agreements”) effective as of August 1, 2013. Pursuant to the Employment Agreements, Mr. Talbot continues to serve as our Senior Vice President and Chief Financial Officer and Mr. Morlock continues to serve as our Senior Vice President, Chief Operations Officer. Mr. Talbot’s agreement provides for a base salary of \$350,000, and Mr. Morlock’s agreement provides for a base salary of \$405,000. The salaries may be increased from time to time by the compensation committee at the recommendation of our Chief Executive Officer. The Employment Agreements provide that, prior to our IPO, each of these executives is eligible for an annual target bonus of 40% of his base salary. For the current bonus year, the annual bonus amount and terms and conditions for each of these executives are determined in accordance with incentive plan metrics recommended by our Chief Executive Officer and approved by the compensation committee. The compensation committee determined that for fiscal year 2014 the incentive plan metrics applicable to our executive officers would be the Company’s total company revenue, adjusted net income, and adjusted EBITDA (where adjusted EBITDA represents net income (loss) before depreciation and amortization expense, interest expense, provision for income taxes and pre-opening costs, adjusted to eliminate the impact of other items, including certain non-cash as well as certain other items that we do not consider representative of our on-going operating performance.). Further, for Mr. Talbot and Mr. Morlock, as named executive officers, the metrics would be weighted as follows: (a) 30%—total company revenue; (b) 35%—adjusted net income; and (c) 35%—adjusted EBITDA. The Employment Agreements also provide the executives with standard benefits and perquisites and a minimum five weeks of paid time off. The Employment Agreements contemplate that the executives may be granted equity awards under our equity incentive plans and provided for accelerated vesting of all outstanding equity awards held by Mr. Talbot and Mr. Morlock as of August 1, 2013.

EXECUTIVE AND DIRECTOR COMPENSATION

Each of the Employment Agreements terminates upon death, disability, termination by us with or without cause or resignation by the executive without good reason. The Employment Agreements for Mr. Talbot and Mr. Morlock define “cause” and “good reason” in a manner that is comparable to the corresponding terms in the Lewis Agreement (except with respect to election to the Board and nomination as Chairman of the Board). For information regarding the severance benefits under the Employment Agreements and the treatment of Mr. Talbot’s and Mr. Morlock’s outstanding equity awards upon a qualifying termination of employment or a corporate transaction/change in control, see “—Potential Payments Upon Termination of Employment or a Corporate Transaction/Change in Control—Charles Talbot and John Morlock Employment Agreements.”

Prior to their entry into the Employment Agreements, Mr. Talbot and Mr. Morlock each entered into an employment agreement with the Company in September 2009, which governed their respective employment relationships with the Company for a substantial portion of 2013. Mr. Talbot’s prior employment agreement provided for an initial base salary of \$325,000, and Mr. Morlock’s prior employment agreement provided for an initial base salary of \$372,968. Our Chief Executive Officer could increase, but not decrease, their respective base salaries. Under these prior agreements, each of these executives was eligible for an annual target bonus of 40% of his base salary, which bonus was earned under the Support Center Annual Incentive Plan. These prior agreements contemplated that the executives may be granted options under the Company’s equity incentive plans, with the option price equivalent to or above the fair market value of shares of our common stock.

Mr. Talbot and Mr. Morlock each continue to be parties to a confidentiality, noncompetition, noninterference and intellectual property agreement, with the noncompetition and noninterference covenants lasting for one year after termination of employment.

Equity Awards

Options represent an important component of our executive compensation. We believe long-term incentive awards align the interests of our stockholders and our executives by increasing the proprietary interest of our executives in the Company’s growth and success; advance the Company’s interests by attracting and retaining qualified employees; and motivates our executives to act in the long-term best interests of our stockholders. Long-term incentive awards are issued under our 2013 Long-Term Incentive Plan, which replaced the Potbelly Corporation 2004 Incentive Plan (provided that awards under the 2004 Incentive Plan will continue to be subject to the terms of the 2004 Incentive Plan). The 2013 Long-Term Incentive Plan provides for grants of options (including nonqualified stock options and incentive stock options), stock appreciation rights, full value awards and cash incentive awards. The 2013 Long-Term Incentive Plan is administered by the compensation committee. Under our Insider Trading Policy, our directors and executive officers are prohibited from engaging in short sales or investing in other kinds of hedging transactions or financial instruments that are designed to hedge or offset any decrease in the market value of our securities.

In March of 2014, Mr. Talbot and Mr. Morlock each received a grant of 19,159 stock options in recognition of his individual performance during the 2013 fiscal year. Neither Mr. Talbot nor Mr. Morlock received a grant of stock options in March 2015 in recognition of his individual performance in fiscal year 2014. The equity compensation for our named executive officers (other than Mr. Lewis) is determined by the compensation committee upon the recommendation of Mr. Lewis. Under the terms of his employment agreement, Mr. Lewis was not eligible to receive equity compensation as part of the Company’s annual incentive compensation program in March 2014 or March 2015.

Non-Equity Incentive Awards

The Company has established the Support Center Annual Incentive Plan to provide annual non-equity incentive compensation to executives. Incentives for named executive officers are earned based on the achievement of pre-established targets for performance weighted as follows: (a) 30%—total company revenue; (b) 35%—adjusted net income; and (c) 35%—adjusted EBITDA (where adjusted EBITDA represents net income (loss) before depreciation and amortization expense, interest expense, provision for income taxes and pre-opening costs, adjusted to eliminate the impact of other items, including certain non-cash as well as certain other items that we do not consider representative of our on-going operating performance). This plan sets a threshold, target and maximum level of for each of these metrics applicable to all named executive officers, and the amounts paid are based on the actual figures achieved by the Company. The other executive officers utilize the same metrics and targets, although with different weight assigned to each metric. The targets are set for the year by the compensation committee based on recommendations from Mr. Lewis and Mr. Talbot and are communicated to executives at the beginning of each year. To be eligible for an award under the plan, the executive must receive an annual individual performance appraisal rating of “Contributor” or higher.

Potential Payments Upon Termination of Employment or a Corporate Transaction/Change in Control

Each of our named executive officers serves at the pleasure of our Board of Directors. Our employment agreements with the named executive officers include provisions requiring us to make post-termination payments upon certain qualifying termination events. The disclosure below describes certain compensation that may become payable as a result of a qualifying termination of employment, based on the employment agreement in effect for each executive on December 28, 2014. In addition, the following disclosure describes the impact of a qualifying termination of employment, a corporate transaction or a change in control under the terms of the equity awards held by each of our named executive officers as of December 28, 2014 and modifications to such awards pursuant to the employment agreements. These benefits are in lieu of benefits generally available to salaried employees.

Aylwin Lewis Employment Agreement

Pursuant to the Lewis Agreement, Mr. Lewis will be entitled to receive severance pay and severance benefits if his employment terminates as a result of a qualifying termination (including if we fail to offer to extend Mr. Lewis’ employment or our failure to reach an agreement with Mr. Lewis as to the term of such extension as described above). If terminated as the result of a qualifying termination prior to a Change in Control (which is defined in the 2013 Long-Term Incentive Plan), Mr. Lewis will be eligible to receive severance equal to one year of his then-current base salary and health and dental coverage at active employee contribution rates for 12 months, and all of his outstanding unvested stock options will vest (provided that if the qualifying termination occurs as a result of our failure to offer to extend the term of Mr. Lewis’ employment or our failure to reach an agreement with Mr. Lewis as to the term of such extension as described above, only those unvested stock options granted in 2015 and 2016 will fully vest upon the qualifying termination), all subject to a release. If his employment terminates (1) as a result of

EXECUTIVE AND DIRECTOR COMPENSATION

a qualifying termination on or within six months prior to a Change in Control and at a time when we are a party to a letter of intent relating to transactions, or we are in negotiations regarding a transaction, which if consummated would constitute a Change in Control, (2) three months prior to a Change in Control or (3) within two years after a Change in Control, Mr. Lewis will be entitled to the severance payments and benefits described above except that his cash severance payment will be equal to the sum of his base salary and annual target bonus and the payments and benefits are not subject to a release.

In addition, if Mr. Lewis' termination occurs by reason of death or disability, he will be entitled to a cash payment equal to the amount of the annual bonus that he would have received for the bonus year in which the termination date occurs, pro-rated for the portion of the year prior to his termination date and payable at the same time that bonuses are payable in accordance with our normal bonus plan and all stock options that would have vested within one year of his termination will be vested on his termination date.

Under certain of Mr. Lewis' option award agreements, in the event of a Corporate Transaction (which term generally includes transactions involving a 50% change in ownership of the Company, whether through acquisition of common stock or voting power or through consummation of a reorganization, merger, consolidation or asset sale), the Board of Directors may take action such as (i) providing for the options to be assumed, or equivalent options to be substituted, by the acquiring company; (ii) providing for termination of vested but unexercised options unless exercised prior to the transaction; and (iii) providing for receipt by Mr. Lewis of a cash payment based on the difference between the transaction price and the exercise price.

Charles Talbot and John Morlock Employment Agreements

The Employment Agreements for Mr. Talbot and Mr. Morlock provide for severance pay and benefits if the executive is terminated in a qualifying termination or if the executive's employment is terminated due to death or disability. In the event the executive's employment terminates in a qualifying termination prior to a Change in Control, the executive is entitled to a cash severance payment equal to 12 months of base salary payable in installments over 12 months, subsidized COBRA benefits for 12 months and an extended exercise period with respect to stock options that are outstanding on August 1, 2013, all subject to a release. In the event the executive's employment terminates in a qualifying termination on or within 12 months after a Change in Control, the executive is entitled to the same severance payments and benefits described above and a payment equal to the amount of the annual bonus that the executive would have received for the year in which the termination occurs pro-rated through the date of termination and based on actual performance for the year of termination (the "Pro-rated Bonus"). Payments and benefits in connection with a Change in Control are not subject to a release. If termination occurs due to death or disability, in addition to any accrued amounts otherwise owed to the executive, the executive will receive the Pro-rated Bonus, subject to a release. The Employment Agreements for Mr. Talbot and Mr. Morlock include the definitions of "cause" and "good reason" in a manner that is comparable to the corresponding terms in Mr. Lewis' employment agreement (except for election to the Board and nomination as chairman of the Board).

Options Granted Prior to 2011. Options granted to our named executive officers prior to 2011 generally contain the following termination and change in control provisions:

- If an executive's employment with the Company terminates for any reason other than cause, disability or death, vested options may thereafter be exercised by the executive until the earlier to occur of: (i) the date that is 90 days (or one year in the case of Mr. Lewis) after the effective date of the executive's termination of employment, and (ii) the expiration date of the option, and to the extent the options are not so exercised, they shall terminate upon such earlier date. If the executive dies following a termination for other than cause during the period described in the preceding sentence, vested options may thereafter be exercised by the executive's legal representative until the earlier to occur of: (i) the date that is one year after the effective date of the executive's termination of employment, and (ii) the expiration date, and to the extent the options are not so exercised, they shall terminate upon such earlier date.
- If an executive's employment with the Company terminates by reason of disability or death, vested options may thereafter be exercised by the executive or the executive's legal representative until the earlier to occur of: (i) the date that is one year after the effective date of the executive's termination of employment, and (ii) the expiration date, and to the extent the options are not so exercised, they shall terminate upon such earlier date.
- If an executive is terminated for cause or the executive breaches a covenant in an agreement with the Company, the options automatically terminate.
- In the event of a Corporate Transaction, the Board of Directors may take action such as (i) providing for the options to be assumed, or equivalent options to be substituted, by the acquiring company; (ii) providing for termination of vested but unexercised options unless exercised prior to the transaction; (iii) providing for receipt by the executive of a cash payment based on the difference between the transaction price and the exercise price; and/or (iv) providing for accelerated vesting prior to the transaction and termination following such transaction.

Stockownership Guidelines

The Board believes that all directors should hold a significant equity interest in Potbelly. Toward this end, the Board expects that all directors own, or acquire within the later of (i) five years of first becoming a director and (ii) five years after our IPO, shares of Potbelly common stock (including restricted shares, but not options, under Potbelly's equity-linked incentive plans) having a market value of at least four times the annual cash compensation for directors. Shares owned by investment funds of which a director is an executive officer or general partner will count towards the foregoing ownership guidelines.

RELATED PARTY TRANSACTIONS

Indemnification Agreements

We have entered into indemnification agreements with our current directors and executive officers, in addition to the indemnification provided for in our certificate of incorporation and Bylaws. These agreements, among other things, provide for indemnification of our directors and executive officers for certain expenses (including attorneys' fees), judgments, fines and settlement amounts incurred by any such person in any action or proceeding, including any action by or in the right of our Company, arising out of such person's services as a director or executive officer of ours. We believe that these provisions and agreements are necessary to attract and retain qualified persons as directors and executive officers.

Review, Approval or Ratification of Transactions With Related Persons

In connection with our Initial Public Offering, we adopted a written policy relating to the approval of related party transactions. Our audit committee will review certain financial transactions, arrangements and relationships between us and any of the following related parties:

- any of our directors, director nominees or executive officers;
- any beneficial owner of more than 5% of our outstanding stock;
- any immediate family member of any of the foregoing; and
- any entity in which any of the foregoing is employed or has more than a 5% beneficial ownership.

Any member of the audit committee who is a party to a transaction under review will not be permitted to participate in the discussions, consideration or approval of such transaction. Prior to entering into any related party transaction, the interested director or officer shall provide notice of such transaction to our General Counsel. The audit committee shall review any such submissions and shall consider all relevant facts and circumstances of such transaction. The audit committee shall approve only those proposed transactions that are in, or not inconsistent with, the best interests of Potbelly and its stockholders.

In the event management determines a related party transaction exists which was not approved by the audit committee, management will submit the transaction to the audit committee for consideration. The audit committee shall consider all relevant facts and circumstances of such transaction, and shall evaluate all options, including but not limited to ratification, amendment, termination or rescission of the transaction.

The policy lists certain types of transaction in which an officer or director may have an interest that are deemed not to require review as a related party transaction, including (i) transactions in the ordinary course of business not exceeding \$25,000, (ii) certain charitable contributions, and (iii) certain approved compensation arrangements.

BENEFICIAL OWNERSHIP OF OUR COMMON STOCK

BENEFICIAL OWNERSHIP OF OUR COMMON STOCK

The following table sets forth information as of March 6, 2015 as to the beneficial ownership of shares of our common stock by:

- each person (or group of affiliated persons) known to us to beneficially own more than 5 percent of our common stock;
- each of our executive officers;
- each of our directors; and
- all of our executive officers and directors as a group.

The number of shares beneficially owned by each stockholder is determined under SEC rules and generally includes shares for which the holder has voting or investment power. The information does not necessarily indicate beneficial ownership for any other purpose. Unless otherwise indicated below, the address for each listed director, officer and stockholder is c/o Potbelly Corporation, 222 Merchandise Mart Plaza, 23rd Floor, Chicago, Illinois 60654. The percentage of beneficial ownership shown in the following tables is based on 29,863,379 outstanding shares of common stock as of March 6, 2015. For purposes of calculating each person's or group's percentage ownership, shares of common stock issuable pursuant to the terms of stock options exercisable or vesting within 60 days after March 6, 2015 are included as outstanding and beneficially owned for that person or group, but are not treated as outstanding for the purpose of computing the percentage ownership of any other person or group.

Section 16(a) Beneficial Ownership Reporting Compliance

Compliance with Section 16(a) of the Exchange Act requires our executive officers and directors and persons who own more than 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than 10% stockholders are required by SEC rules to furnish us with copies of all Section 16(a) forms they file.

Based solely on a review of the copies of such forms furnished to the Company and on written representations from our officers and directors, we believe that during 2014, all Section 16(a) filing requirements were complied with on a timely basis, except that each of (1) Maveron Equity Partners and related funds, collectively one of our 10% shareholders; (2) Mr. Avedisian; and (3) Ms. Campbell was late in filing one required report on Form 4 relating to one transaction, in each case due to administrative error.

OTHER MATTERS

Proxy Solicitation

We will pay the cost of soliciting proxies and may make arrangements with brokerage houses, custodians, nominees and other fiduciaries to send proxy materials to beneficial owners of our common stock. We will reimburse these third-parties for reasonable out-of-pocket expenses. We have engaged Broadridge Financial Solutions, Inc. to serve as our proxy solicitor for the Annual Meeting at a base fee of \$6,000 plus reimbursement of reasonable expenses. Broadridge will provide advice relating to the content of solicitation materials, solicit banks, brokers, institutional investors, and hedge funds to determine voting instructions, monitor voting, and deliver executed proxies to our voting tabulator. Our directors and officers also may solicit proxies by telephone, electronic transmission and personally. However, our directors and officers will not receive any special compensation for such services.

Stockholder Proposals for the 2016 Annual Meeting

Pursuant to Rule 14a-8 under the Exchange Act, in order to be included in the Company's proxy materials for the 2015 annual meeting of stockholders, a stockholder proposal must be received in writing by the Company by November 25, 2015 and otherwise comply with all requirements of the SEC for stockholder proposals. As of May 2015, the Company's new address will be 111 N. Canal Street, Suite 850, Chicago, IL 60606.

In addition, our Bylaws provide that any stockholder who desires to bring a proposal before an annual meeting, or to nominate persons for election as directors, must give timely written notice of the proposal to the Company's Secretary. To be timely, the notice must be delivered to the above address not less than 90 nor more than 120 calendar days prior to the first anniversary of the date on which the Company held the preceding year's annual meeting. Accordingly, to be timely, a notice must be received no earlier than January 15, 2016 and no later than February 14, 2016 (assuming the meeting is held not more than 30 days before or more than 60 days after May 14, 2016). The notice must describe the stockholder proposal in reasonable detail and provide certain other information required by our Bylaws.

Form 10-K and Other Filings

Upon written request and at no charge, we will provide a copy of any of our filings with the SEC, including our Annual Report on Form 10-K, with financial statements and schedules for our most recent fiscal year. We may impose a reasonable fee for expenses associated with providing copies of separate exhibits to the report when such exhibits are requested. These documents are also available on our website at <http://investors.potbelly.com/financials.cfm>, and the website of the SEC at www.sec.gov.

Householding

SEC rules allow delivery of a single annual report and proxy materials, including the Notice of Internet Availability of Proxy Materials, to households at which two or more stockholders reside, unless the affected stockholder has provided contrary instructions. Accordingly, stockholders sharing an address who have been previously notified by their broker or its intermediary will receive only one copy of the Notice of Internet Availability and, if applicable, a single set of the annual report and other proxy materials, unless the stockholder has provided contrary instructions. Individual proxy cards or voting instruction forms (or electronic voting facilities), as applicable, will, however, continue to be provided for each stockholder account. This procedure, referred to as "householding," reduces the volume of duplicate information received by stockholders, as well as our expenses. Shareholders having multiple accounts may have received householding notifications from their respective brokers and, consequently, such stockholders may receive only one Notice of Internet Availability of Proxy Materials, and if applicable, a single set of the annual report and other proxy materials. Upon written or oral request, Potbelly Corporation will promptly deliver a separate copy of the Notice of Internet Availability of Proxy Materials and, if applicable, a separate set of our annual report and proxy materials to any beneficial owner at a shared address to which a single copy of any of those documents was delivered. To receive a separate copy of the Notice of Internet Availability of Proxy Materials and, if applicable, a separate set of our annual report and proxy materials, you may write or call Potbelly Corporation at Potbelly Corporation, 222 Merchandise Mart Plaza,
